The Department of Military and Veterans Affairs shall maintain the primary and necessary records, and the Veterans' Affairs Commission shall promulgate such rules and regulations not inconsistent with the other provisions of this Part as it deems necessary for the orderly administration of the program. It may require of State or private educational institutions, as defined in this Part, such reports and other information as it may need to carry out the provisions of this Part. The manner of payment to any private institution shall be as prescribed by the Department of Military and Veterans Affairs. The participation by any private institution in the program shall be subject to the applicable provisions of this Part and to examination by State auditors of the accounts of scholarship recipients attending or having attended private institutions. The Veterans' Affairs Commission may defer making an award or may suspend an award in any private institution which does not comply with the provisions of this Part relating to said institutions.

(e) Irrespective of other provisions of this Part, the Veterans' Affairs Commission may prescribe special procedures for adjusting the accounts of scholarship recipients who for reasons of illness, physical inability to attend class or for other valid reason satisfactory to the Veterans' Affairs Commission may withdraw from State or private educational institutions prior to the completion of the term, semester, quarter or other academic period being attended at the time of withdrawal. Such procedures may include, but shall not be limited to, paying the recipient the dollar value of his unused entitlements for the academic period being attended, with a corresponding deduction of this period from his remaining scholarship eligibility time. § 143B-1253. Creation of authority.

If the council of any city in the State having a population of more than one hundred thousand, according to the last federal census, shall, upon such investigation as it deems necessary, determine:

- (1) That there is a lack of adequate veterans' recreation facilities and accommodations from the operations of public or private enterprises in the city and surrounding area; and/or
- (2) That the public interest requires the construction, maintenance or operation of a veterans' recreation project for the veterans thereof, the council shall adopt a resolution so finding (which need not go into any detail other than the mere finding), and shall cause notice of such determination to be given to the mayor, who shall thereupon appoint, as hereinafter provided, five commissioners to act as an authority. Said Commission shall be a public body and a body corporate and politic upon the completion of the taking of the following proceedings:

The commissioners shall present to the Secretary of State an application signed by them, which shall set forth (without any detail other than the mere recital): (i) that the council has made the aforesaid determination after such investigation, and that the mayor has appointed them as commissioners; (ii) the name and official residence of each of the commissioners, together with a certified copy of the appointment evidencing their right to office, the date and place of induction into and taking oath of office, and that they desire the recreation authority to become a public body and a body corporate and politic under this Part; (iii) the term of office of each of the commissioners; (iv) the name which is proposed for the corporation; and (v) the location and the principal office of the proposed corporation. The application shall be subscribed and sworn to by each of the said commissioners before an officer authorized by the laws of the State to take and certify oaths, who shall certify upon the application that he personally knows the commissioners and knows them to be the officers as asserted in the application, and that each subscribed and swore thereto in the officer's presence. The Secretary of State shall examine the application, and if he finds that the name proposed for the corporation is not identical with that of a person or of any other corporation of this State or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded, as herein provided, the authority shall constitute a public body and a body corporate and politic under the name proposed in the application; the Secretary of State shall make and issue to the said commissioners a certificate of incorporation pursuant to this Part, under the seal of the State, and shall record the same with the application.

The boundaries of such authority shall include said city and the area within 10 miles from the territorial boundaries of said city, but in no event shall it include the whole or a part of any other city nor any area included within the boundaries of another authority. In case an area lies within 10 miles of the boundaries of more than one city, such area shall be deemed to be within the boundaries of the authority embracing such area which was first established, all priorities to be determined on the basis of the time of the issuance of the aforesaid certificates by the Secretary of State. After the creation of an authority, the subsequent existence within its territorial boundaries of more than one city shall in no way affect the territorial boundaries of such authority.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have been established in accordance with the provisions of this Part upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof. (1945, c. 460, s. 4; 2015-241, s. 24.1(g); 2015-268, s. 7.3(a).)

Of the commissioners who are first appointed, two shall serve for a term of one year, two for a term of three years, and one for a term of five years, and thereafter, the terms of office for all commissioners shall be five years. A commissioner shall hold office until his successor has been appointed and qualified. Vacancies shall be filled for the unexpired term. Vacancies occurring by expiration of office or otherwise shall be filled in the following manner: The mayor and the remaining commissioners shall have a joint session and shall unanimously select the person to fill the vacancy; but if they are unable to do so, then such fact shall be certified to the resident judge of the superior court of the County in which the authority is located, and he shall fill the vacancy. The mayor shall file with the city clerk a certificate of the appointment or reappointment of any commissioner, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

When the office of the first chairman of the authority becomes vacant, the authority shall select a chairman from among its members. An authority shall select from among its members a vice-chairman, and it may employ a secretary, technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties, and compensation. An authority may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. (1945, c. 460, s. 5; 2015-241, s. 24.1(g); 2015-268, s. 7.3(a).)

§ 143B-1255. Duty of the authority and commissioners of the authority.

The authority and its commissioners shall be under a statutory duty to comply or to cause compliance strictly with all provisions of this Part and the laws of the State and in addition thereto, with each and every term, provision and covenant in any contract of the authority on its part to be kept or performed.

If any commissioner or employee of an authority owns or controls an interest, direct or indirect, in any property included or planned to be included in any veterans' recreation project, he shall immediately disclose the same in writing to the authority and such disclosure shall be entered upon

the minutes of the authority. Failure so to disclose such interest shall constitute misconduct in office. (1945, c. 460, s. 7; 2015-241, s. 24.1(g); 2015-268, s. 7.3(a).)

§ 143B-1257. Removal of commissioners.

The mayor may remove a commissioner for inefficiency or neglect of duty or misconduct in office, but only after the commissioner shall have been given a copy of the charges against him (which may be made by the mayor) at least 10 days prior to the hearing thereon and had an opportunity to be heard in person or by counsel.

If, after due and diligent search, a commissioner to whom charges are required to be delivered hereunder cannot be found within the county where the authority is located, such charges shall be deemed served upon such commissioner if mailed to him at his last known address as same appears upon the records of the authority.

In the event of the removal of any commissioner, the mayor shall file in the office of the city clerk a record of the proceedings, together with the charges made against the commissioner removed, and the findings thereon. (1945, c. 460, s. 8; 2015-241, s. 24.1(g); 2015-268, s. 7.3(a).)
